

Rakautata B & B

Welcome to Rakau Tata Bed & Breakfast - our piece of paradise overlooking Sandspit in Warkworth, North Auckland.

Rakautata loosely translates to "standing trees" and the native New Zealand bush that provides a backdrop to our B & B is truly beautiful - full of native birds.

We farm 80 acres, leading down to the estuary so guests can wander on the farm and meet the animals we care for, which include "visitor friendly" sheep, cattle and horses. Take advantage of our central location just 5 minutes from Warkworth, Snells Beach and Matakana to visit the numerous local attractions, cafes and restaurants.

Our accommodation comprises two large sunny rooms. Each have a Queen-sized bed and tiled ensuite. Both have lovely views down over the farm to Sandspit. With flexible check-in and check-out times, you can sit and relax in the private guest lounge with a tea or coffee from the kitchenette.

Superb breakfast included.

Free WiFi is available in all the rooms and satellite television. Laundry facilities are available if required.
