

Lake Ngatu Lodge BnB and Gardens

Your host David and Debbie welcome you to their Lake Ngatu Lodge and Gardens. Our property of 10 acres is planted in sub-tropical gardens and orchards, with ponds and propagating houses. We have fruit all year round, which include cherimoya, feijoas, apricots, figs, bananas, persimmons, macadamia pecans and almonds. Grazing paddocks for our domestic animals which include our house cows and chickens. We are mostly self-sufficient and would love you to wonder and explore or relax on the deck over looking the lake and watch the sun set. Only 5 mins from 90 Mile Beach, you have lots of leisure activities at your door. Opposite our driveway, you can swim in the lake or follow the DOC track around the lake. The property has a sheltered saltwater pool area, one of the many surprise quiet areas, like the rose garden and bbq area. Over 20 beaches, all within 40mins, both West and East Coast. The most pristine in the world.
