

The Riverbank Homestay and B&B

The Riverbank is in a quiet lane on one hectare of land with bush on one side and a wetland on the other. Although near to Ngunguru and only 10 minutes from Tutukaka, we are definitely situated in a rural setting. Perfect for that unplugged getaway. Mobile phone reception is poor with the best reception on our deck or lounge. We have internet access using WIFI. We do not have TV. Our wild life will entertain you from our deck or on one of the walks about the property.

The property is known as Ratty's Landing; A long folk story that you may hear about when you stay. Hence the Wayfarer rat on our logo.

From your door you can stroll about our property, relax on the deck or take the 2 Km bush walk we have opened around the Waiotoi River valley adjacent to our property or stroll our wetland boardwalk to bush. There is plenty of opportunity to get to know our bush and birds. We are more than happy to introduce you to our nature. There is even a Weta house with resident Weta. The sea is near as are our wonderful beaches. Bring you kayak or mountain bike.
