

# Hunter Farm Home Stay

Hunter Farm Home Stay is a 1200 acre organic sheep and beef farm in South Otago. The property has wonderful varying views of the Clutha River and looks into the Blue Mountains, with pockets of native bush and bird life flourishes. Various farm and bush walks can be enjoyed by our guests, or a guided farm tour by your hosts, Graham and Pam Hunter. Fishing and swimming is possible in the Clutha from our property.

We welcome you to stay with us in our home to enjoy a taste of farm life and enjoy our company (enthusiastic, down to earth kiwi farmers). It is not just a night's accommodation but a genuine "kiwi" experience that you probably won't forget quickly. We welcome you to join us in some general farm activities, shifting the sheep, watching the dogs at work and a farm tour. We welcome you to take some refreshing scenic walks on the farm. and to enjoy good hearty meals where lamb will be served with home grown organic veges. Evening meal and farm tour extra

We have 2 bedrooms available in the homestead with queen sized beds, one shared bathroom and 2 toilets and a large separate lounge available for our guests.

we have a cosy cabin 10 metres from the homestead that can accommodate 2-4 people. rates are negotiable for this option. Great for families.

The little historic, cafe town of Lawrence is only 20km away and the only river ferry/punt still functioning in the southern hemisphere is 9 km down the road.
