

# The Waitaki B&B

The Waitaki B&B is especially convenient not only for romantic couples or adventurous hikers and cyclists, but for nature lovers and those exploring the Waitaki Whitestone Geopark, and the wonderful lakes, rivers and coastline of the Waitaki district (the Waitaki).

We only accept one booking per night (unless a family group/friends).

Your hostess, Tri's (pronounced 'tree') skills as a host have been described in an extended feature article in the Summer Edition of New Zealand's 'Blaze Magazine" in 2017, in which her superlative skills as a hostess were referenced in highly glowing terms.

Our luxurious Super-King Sealy Posturepedic beds assure a restful sleep after spending the day visiting cultural sites, cycling, gliding the skies, soaking in mountain stream-fed hot tubs, salmon fishing, or resting on a lounge in our beautiful garden.

Continental or Full English cooked breakfasts are available, along with fresh espresso coffee.

There is so much to do in the Waitaki (from the Alps 2 Ocean cycle trail, mountain biking, picnicking, hiking, gliding or soaking in heated snow melt waters at Omarama, marvelling at Steampunk HQ, enjoying Whitestone City experiential Victorian Museum, the penguin colony, heritage architecture, the Waitaki Valley North Otago vineyards, breweries, art galleries, alpine lakes, rivers, & coastline) ....

We'd love to have you visit and to be able to share our knowledge of this spectacular part of Te Waipounamu (the South Island) with you ....
