

Meanderine Farm / Park Stay

Meanderine Farmstay specialise in breeding donkeys, labradoodles (puppies), cows, goats, pigs, ducks, geese, pigeons & rare breed chickens. We also have horses & ponies and have over 500 animals. Guests are welcome to help with hand feeding our many animals. All throughout the year young animals are being born.

Activities for the guests include collecting eggs, feeding the animals, use of our bikes for bike riding, playing in the playground (for the children), use of golf clubs, target shooting (additional cost), star gazing, & getting involved in our farm projects.

Wouter is Dutch/Kiwi and Marina is Australian. They both live & work on the farm and are renowned for providing great home-cooked meals with produce from the garden and orchard (when in season) for guests. Their daughter, Lenie (5 yrs) & son, Jan (3 yrs) are very social and love to play with guest children.

The many friendly animals and lovely views make this an ideal retreat for a relaxed & interesting holiday away from home. For many children, the stay on our farm has been the highlight of their holiday. While guests are here, you are treated as one of our family.

Accommodation for guests include:

- A private garden cottage with a queen-size double bed, a set of bunks, seating, ensuite and coffee & tea making facilities.
- In the house we have 2 rooms; 1 with a queen bed and 1 with a double bed. All in-house rooms have a shared guest bathroom & compost toilet
