

Hiamoe Farmstay

"Hiamoe Farmstay " 12 minutes from Feilding ,25 minutes from Palmerston North and 15 minutes from the airport . We are the 3rd generation and our 3 sons,all currently studying at Lincoln University, will be the 4th generation when their turn comes. Large scale, fully operational farm and guests are encouraged to experience first hand, aspects of farming , farm dogs in action and many livestock on the property. Our family home is a restored colonial style residence with a country garden . Guests (one group/family at a time) have 3 bedrooms and their own bathroom at one end of the house Large kitchen,living ,dinning area where we provide B+B (full breakfast) and an optional evening meal and lunch if you stay more than one night Toos original homeland was Holland and we have enjoyed offering Farmstays for nearly 20 years which we do because of the wonderful people we meet !! We are keen travellers and have experienced much hospitality in many remote corners of the world . It is our pleasure to have guests to stay, so they can experience "our neck of the woods "and since our visitors have chosen to stay with us , they are here because they want to experience a little piece of heartland NZ ! We do our best to give our visitors an experience, on our 1500 acre sheep,beef and deer farm, that they will not forget. One recent guest from U.K.wrote in our guest book "This has been the highlight of our visit to New Zealand"
