BOOKINGS ESSENTIAL. PLEASE E-MAIL OR TEXT. (We have got poor cell phone coverage.)

We offer personalised beach, farm and bush rides. Speed and length to suit your riding ability and time budget.

Our large sheep farm is situated on the Southern Scenic Route between Riverton and Tuatapere and stretches from the sea to the bush.

From horse back you will enjoy stunning views over Te Waewae Bay where you can see from Stewart Island to Fiordland.

Te Waewae Bay is also home to the Hector Dolphins which are often seen at our rides.

After the ride we can chill out with a coffee at the wonderful Orepuki Beach Café.
