City Lights is a luxury Boutique Bed & Breakfast. Opened in 2008 it is set in 2 acres of grounds in a quiet location half way up Mount Ngongotaha overlooking Rotorua with superb starry night skies.

The B&B offers 3 en-suite rooms with queen beds and quality furnishings. All bedrooms have bathrobes, tea/coffee making facility, bottled water, walled mounted LCD TV, CD/Radio, hairdryer, and thermostatically controlled heaters.

We offer a top class service with a Continental breakfast including homemade muesli, yoghurts & preserves and freshly ground coffee. Our fantastic facilities include a large guest lounge with computer & printer, FREE WIFI, real fire, heat pump/air conditioner, robes, in room safe, ironing facilities, gym with infrared sauna and an outdoor spa.

There is plenty of off road parking and secure storage for bikes.

If you prefer the flexibility of self-catering we have a cottage and a boutique apartment, both with 2 bedrooms and fully equipped with kitchen, laundry and barbeque.

The cottage is separate from the B&B and has one queen bed & one single bed. There are also decked and garden areas. The apartment adjoins the main house and has a queen & 2 king single beds and an area to sit outside with mountain views. Minimum age 14yrs or over for both options..

We also have friendly pet alpacas who love meeting people and Oscar the cat.
